COVID-19: Risk assessment

Dirok Certificated Location continues to closely monitor the impact of COVID-19 (Coronavirus) on its activities. We take the protection of our and our guests' health, safety and wellbeing very seriously.

This document describes the key issues that Dirok Certificated Location has identified in managing the risk of COVID-19 and summarises the actions being taken to manage them.

We continue to adapt to the situation as it unfolds and thrive to put measures in place in line with the latest guidance and best practices. This document shall be regularly reviewed and updated to reflect the latest measures being implemented within our site.

Assessment carried out by: G Baudot, Owner
Date assessment was carried out: 6th July 2020
Latest date of next review: 6th July 2021

COVID-19: Risk assessment

What are the hazards?	Who might be harmed and how?	What are you already doing to control the risks?	What further action do you need to take to control the risks?	Who needs to carry out the action?	When is the action needed by?	Done
Contamination through cash payment	Guests and/or owners contaminated through the exchange of cash	All communication carried out by phone or email. Payment done online through secure payment link sent to guest in advance. For on-the-day payment, a contactless terminal is available.	No further action required	N/A	N/A	✓
Contamination through meet and greet	Guests and/or owners contaminated through meeting in person when arriving at the site	Guests are provided with all the details (direction, pitch details, site map) to reach their allocated pitch unaided. Any meet and greet activity is in full respect of social distancing rules.	No further action required	N/A	N/A	✓
Contamination through close proximity of other guests	Guests coming in close contact with other (contaminated) guests	Dirok CL provides generously sized pitches providing guests with more than adequate space around their campervan, motorhome or caravan to remain isolated from other guests. In addition at the time of booking and availability permitting, the owner attempts not to allocate adjacent pitches to guests who are not travelling together.	No further action required	N/A	N/A	✓

COVID-19: Risk assessment

What are the hazards?	Who might be harmed and how?	What are you already doing to control the risks?	What further action do you need to take to control the risks?	Who needs to carry out the action?	When is the action needed by?	Done
